On behalf of **Barry Westhead**, P.Eng, FEC, West Toronto PEO Chapter Chair, who introduced the new chapter license recipients, and the chapter board, we want to congratulate all who received their license at this ceremony. We also want to gratefully acknowledge the support and contributions made by friends, family, and guests who helped our license recipients achieve their goals. Truly another milestone in our license recipients career.

In addition, for the first time at a QUAD Chapters licensing ceremony, TD Meloche-Monex had sponsored a photographic booth for any recipients to have a professional photo taken of themselves with their license in hand. Framed photos were made available for pick-up after the ceremony.

The chapter executive would like to also take this opportunity for all our new license recipients to join us at upcoming seminars and events organized by the chapter. You will automatically receive eBlasts of upcoming chapter events, but you should also check repeatedly the calendar page on the chapter website ([West Toronto PEO](#)) for upcoming chapter events. Follow the tabs to the Events Calendar. Please make certain that your personal profile is always up to date in the PEO Database.

I would also like to thank all the volunteers who helped to make this one of the smoothest running and successful license ceremonies for the West Toronto Chapter.

Photos from this ceremony, including group photos of those who attended the ceremony, have been posted to our chapter licensing page website [here](#).
