

Report - License Presentations Committee of the WTPEO

Georg A. M. Kralik, P.Eng. FEC, Chair - WTPEO License Presentations

I am happy to report that in 2014 the chapter membership grew by 37 new license recipients in two ceremonies held on May 13, and November 11, at the Islington Golf and Country Club. Both ceremonies were organized together with three other chapters in the West Central Region of chapters, known as the QUAD Chapters Group - Etobicoke, Kingsway, and Toronto-Humber Chapters.

At the May ceremony, the assembled recipients and their guests were addressed by **Dr. Geoff Fernie**, P.Eng., Director for Research at the Toronto Rehabilitation Institute - UHN. The special guest speaker for the November ceremony was **Ms. Laura Albanese**, MPP - York South-Weston.

Reports and photos from both ceremonies are available on the chapter website, or should be posted shortly under the "OTHER" drop down menu at <http://www.westtoronto.peo.on.ca>. The ceremonies were also reported on in the chapter newsletters (Summer 2014, and Winter 2015).

I want to thank our volunteers who helped to make both ceremonies very successful, and a memorable event for our new license recipients and their guests.
